**Adam Folkerts on
"Seven Financial Habits of Healthy People"**

Did you know that your financial health can impact your physical health? Northwestern Mutual recently fielded a study in cooperation with LLuminari, a network of health experts. The research found that people who had a financial plan and took active steps to achieve it, were healthier and happier. In fact, seven financial habits emerged that could make a difference in your life. *Join us for a special educational workshop...*
